He pictured conditions in Irehe disinterred for topsy and postmortem examination" by order of Supreme Court Justice Magistrate Frothingham that Dresher Tompkins.

Mrs. Calliess, as was related yescab at the corner of 81st Street and Broadway, died in Roosevelt Hospital Oct. 10, and was buried Oct. 11 in Mt. he says he found the barber calmiy Kensico Cemetery before her daughter, who hved at No. 78 Riversida Drive, knew that her mother had held without bail. been injured:

EASY TO HIDE CRIME UNDER THE PRESENT SYSTEM.

The targe question which the inquiry has developed is whether an undertaker can secure possession of the body of a person killed in an accident and hurry it to secret burial Craig Says States Aid May Be without the slightest official check being made of his own statements of his authority. If this is true, as has been pointed out, there is no reason why the "ambulance chasing undertaker" cannot become the medium by William D. Boster of No. 350 Broad-

## NEARLY ALL MINES OPEN IN CHIEF COAL DISTRICTS; OUTPUT NORMAL MONDAY

Radicals Who Oppose Return to Work in a Few Districts Being Union Officials.

CHICAGO, Dec. 12.—General increase in production of bituminous coal to-day was indicated by reports from nearly all coal fields. In a few sections, principally Illinois, however, some of the workers were in rebellion against terms of President Wilson's proposal, and in Montana, isual heat and light for nine hours on Washington and Wyoming the miners indicated they desired a more thorough understanding of the plans.

Another instance of deferred resumption of production was in West Virginia, where new trouble was encountered because of the old que regular eight hours on other days tion of the "check off" system. There were many predictions, however, ited firty thousand frames with a provided they cut down their heat of a return to normal output by early next week.
